

THE ROAD TO JERUSALEM INTERCESSORS - OCTOBER 2006

October 18, 2006

Hello Warriors,

Greetings from the post here in Louisiana!

Lord Jesus we receive your Word in and over our lives this day. We declare that your Word is TRUE. You alone have the words of life and we come to you

Beloved, the Lord is sounding from Heaven and rebuking the enemy by His Word. His Word which lives forever, is active, able to accomplish that for which it is sent, brings life to the hearers, judges men's hearts, causes the deaf to hear and the lame to walk. HIS WORD IS ALIVE FOREVERMORE. God is looking for hosts that will agree with Him and His living and active Word. Will we be the hosts of His Word? If we have come to faith in the Lord Jesus Christ and received Him, then we are "hosts" of Him. We are His house, tabernacle, and temple right?

Let me ask you, what Word is sounding from your temple today? Are the bells on your priestly robes ringing with Him? Is the smell of bread in your spiritual womb baking with His life? Or could it be those dancing feet that love to move with the music of Heaven? Is the Word perhaps the sound of one cleaning a toilet and giving quiet thanks in the act? Is it looking at an animal and observing in awe and wonder at the Creator's handiwork?

Might it be taking a college exam leaning on the Lord for help? Is your word named (?)

Did you know that manna in the Old Testament meant, "What is it?"

What am I getting at? Even our questioning can be the manna that feeds us.

Have I messed up your theology yet? I hope so.

The Word of God has never been in a box called our understanding. If it was, then guess whom it belongs to? Nope, the Word of God breaks bounds, skips upon the earth (Psalm 19:4). The Word is like a bridegroom coming out of His chamber?

His Word is boundless! It breaks up our fallow ground and boring lives. It is active and sharp according to Hebrews 4:12.

The best part is that "the Word became flesh and dwelt among us..." John 1:14

Here is a good Word for today. "If God is for us, then who can be against us?" Romans 8:31 The answer is NO ONE! NO ONE!

Ok, who are we gonna believe? Are we gonna (Louisiana slang for 'going to') entertain the devils lies that are in the atmosphere looking for a host (the minds of men) OR will we STAND ON HIS WORD?

Warriors, His Word is to be our very life. If Jesus found it necessary to combat the devil with the Word of God then how much more are we to do the same thing? In Matthew chapter 4 every time the devil came to Jesus, we see the Lord responding with the Word of God. "It is written,..." said Jesus.

Today is a new day!

What is your Word today?

Blessings upon you and your households,

Meg Jones/ Road To Jerusalem Prayer Coordinator
