I do not pray for these alone [the Jewish believers], but also for those who will believe in Me through their word; that they all may be one, as You, Father, are in Me, and I in You; that they also may be one in Us, that the world may believe that You sent Me."

(John 17:20-21)

THE ROAD TO JERUSALEM

Two Minute Warning

Shalom from THE ROAD TO JERUSALEM! We present to you the following poem:

"Two Minute Warning" ©
By Bill McCartney

Time has a habit of slipping away
For some it happens day after day
Until they awaken early one morning
To the alarming sound of a 2 minute warning

People rush to set things in order
They hurriedly try to defend their border
Suddenly danger lurks on every side
The enemy is here, no place to hide

That hour is coming, don't you see
The Good Book calls it prophecy
Those not sleeping have a solution
They have prepared for a **Revolution**

Jew and Gentile in one accord
That's John 17 in the Holy Sword
It's still not too late to participate
But if you wait it will seal your fate

Iranian President Mahmoud Ahmadinejad has served bold notice to the world that he will wipe Israel off the face of the earth. He is backing up his threat with a claim that he will be fully nuclear by March of 2007. Hitler similarly announced his intentions, but nobody believed him. Is it possible that history is about to repeat itself? Zechariah 12:3 gives clear prophecy that every nation (this includes the USA) will, at some point in time, turn against Israel. If you read this chapter you will see that God's response to this massive opposition to Israel is to take up the gauntlet Himself and defend His people. The question for all Christians is with whom they will stand when all nations do turn against Israel. The recently passed war between Israel and Hezbollah revealed that only one nation would boldly and publicly stand with Israel – the USA. During that time thousands of letters flooded the White House; two out of three demanded that the President withdraw his support for Israel. Who will be the next President? Will he/she stand as staunchly with Israel as the previous administration? **Two Minute Warning!** The response, the solution, is a revolution!

THE ROAD TO JERUSALEM

Two Minute Warning

We recently had lunch with the sister-in-law of the Prime Minister of Israel. She accurately recognized that we are facing a serious crisis in the form of the threat of radical Islam. She feels that a key solution to the threat we face is increased tourism. We, on the other hand, believe God has given us the unmistakable and biblically defensible response for every believer, Jew and Gentile. In a phrase, it is a **revolution** called the **International Coalition of Christians and Messianic Jews (ICCM)**. You win wars with an army that is trained and equipped to meet and overcome whatever threat it faces. When a Christian stands with the Jewish believer, he stands with God; he stands with Israel, he answers the prayer of Yeshua that for the most part has never been answered, and he facilitates the greatest harvest ever! We believe that the Lord requires us to come together in unity to be able to withstand the coming days.

We are organizing an army to stand firm in a battle that will lead to the salvation of all Israel. We are appealing to every believer to join the army whose general and chief recruiter is Yeshua (Ephesians 2). An army trains each soldier and assigns them a military occupational specialty (M.O.S.). This allows every soldier to carry out his role in a war. **We are in the process of assigning a spiritual occupational specialty (S.O.S.) to every ICCM partner.** If you want to see President Ahmadinejad defeated, the prayer of our Lord answered, the greatest harvest ever, and the salvation of all Israel – then join us now! If you have already joined, help us build the army by recruiting others. **We have hundreds... we need thousands! Two Minute Warning!**

As we are writing the final chapter of 2006, we have big plans for 2007: our largest number of conferences proclaiming God's heart for unity; the publishing of our first book; and the growth of the ICCM. **We cannot accomplish these plans without you!**

Looking forward, we estimate that our general operating expenses over the next 6 months will be \$180,000. We will also have \$150,000 worth of expenses directly related to the staging of our 2007 events and would like to raise an additional \$50,000 for our Messianic Support/HaTikva Center fund. This brings our cumulative budget to \$380,000. **As you review your year-end finances, we ask that you would prayerfully consider supporting THE ROAD TO JERUSALEM.**

We can truly say that meeting the challenge of awakening the Church to its responsibility to respond to the prayer of our Lord in **John 17, has been like plowing concrete.** However the manifestation of God's spirit at our conference in Hampton, Virginia assures us that He has given us a diamond studded plow that is surely beginning to break up the fallow ground. **We have seen clear evidence of God's breakthrough.**

We need you to partner with us in the year 2007 as we make strong strides in **recruiting the ICCM army** and accomplishing the other tasks the Lord has set before us. May the Lord lead you in your giving decisions, and as always, we request your prayers in the year to come. May the Lord bless you, keep you, and cause his face to shine upon you throughout the coming year!

Shalom,
