

Rebecca Catron is the ICCM Administrator for THE ROAD TO JERUSALEM.

Rebecca, a.k.a. Becky, was raised in Littleton, Colorado, in a Christian home and came to faith in Yeshua the Messiah, during her Junior High years. Upon graduation from Columbine High School in Littleton, CO, she attended Dallas Baptist University, then the University of Colorado in Denver (CU Denver) and attained her Bachelor's of Science Degree in 2002 from Colorado Christian University in Organizational Management with an emphasis in Christian Leadership.

She began attending a Messianic Jewish Congregation while in High School, where she was involved with their drama team and began her journey to discover her "roots" as one grafted into the cultivated olive tree.

In 2007, Becky resigned from her potential career with the Federal Government after eight years of service, in order to partake of an internship with the International House of Prayer in Kansas City, MO. Upon returning to Colorado in 2008, she began working on staff for THE ROAD TO JERUSALEM.
